What to Check on Your Profile for Security If you are not able to confirm your identity, your profile will be unusable to anyone but you—even if you upload your pictures and upload your videos. You have to provide the profile, but to do that, you'll need a picture or video recording or your real name.. 10:00 am 11:00 am 12:00 pm 2:00 pm 2:30 pm 11:30 am 3:00 pm 11:30 am 3:30 pm Sat Dec 21 2011.. The most important feature you should get is a description of yourself. As you can see, your Profile contains a whole lot of information about you, including your interests and what you talk about, including your religious or religious views. For example, if you are interested in yoga, you have to include details about why you do yoga, your personal beliefs about the practice, and a summary of the many types of activities yoga can entail. If you believe yoga benefits you physically, that description, along with your physical workout regimen, can help confirm you are an active individual, in tune with the yoga practice and your needs..
