Yes! It's come to pass this version is added to portingkit as well This version works out of the box comparing with the "First Decade" version.. On this page you can find all available maps for these two games! There are over 50 maps available at the moment with new ones being added daily.. 30 Revenge of the Yolk Christmas Edition Lastes we have oppressed them, grilling, roasting, stewing, and stuffing them in buns.. Single Player Yuri's Revenge Mission Yuri's plane is shot at over soviet territory, after bailing out you must help him survive by finding 5 supply crate's.. The Origin version works for both Red Alert 2 and Yuri Revenge in my tests So thats great news! This means some more Origin games are coming soon as well :D Have fun!.
